## **REQUIREMENTS AND POLICIES**

### **Physicals and Forms.**

Each athlete must have a physical on file before he/she is allowed to participate in any practices. A parental release and emergency contact phone number must also be on file with your school.

### **Team Fees.**

Fees should be paid to your respective Athletic Department. Your team fee includes your **school fees** (\$100 payable to your school), and **equipment fees**: 2 caps, one suit, and one T-shirt (\$78 payable to WWSHS for girls; \$65 payable to WWSHS for boys). Extra shirts for parents and fans may be ordered for \$14. Please write two separate checks for these amounts. All fees must be on file before team suits and shirts are ordered on the first Friday of the season. Please see a coach with any financial concerns.

### **Registration.**

Please arrange for early release with your counselor. You must have PE or Study Hall last hour in order to accommodate our practice schedule.

### **Transportation.**

We will need both student drivers and parent volunteers to transport the team each day from WNHS and WWSHS to Wheaton College. If you drive to practice at any time during the year, you must submit a description of your car to one of the coaches. This will allow you to have a visitor's pass at Wheaton College. If you carpool with an older student, please help them with transportation costs. No student driver is allowed to stop between school and Wheaton College without permission for any reason. All athletes must take the team bus to away meets under all circumstances. Athletes may ride home with their own parents with written permission.

### **Grades.**

The policies of District 200 will be enforced. Grades are sent weekly from the Athletic Department to the coaching staff. **KEEP YOUR GRADES UP! Please see a coach with any academic problems.**

### **Apparel and equipment.**

You must practice in one (or more) one-piece Speedo-type swimming suit(s). Goggles are optional, but highly recommended. Wear a cap in practice if you have long hair. Team suits and caps must be worn at all meets. You may purchase and wear your own racing suit (aquablade, fastskin, etc.) for championship meets (DVC, Sectionals, State). Bring a water-bottle with you each day to practice. Boys may practice and race in the same (drag) suit.

### **Lockers.**

Please supply your own lock to use during practice. You may not store items overnight in a Wheaton College locker. Key-Lockers which require a quarter are also available (you get the quarter back when you return the key). Do not leave anything in the locker room unlocked or unattended.

### **Practice Attendance.**

Three unexcused absences will lead to dismissal from the team. You must have 85% attendance (excused and unexcused) to compete in meets (this includes summer break practices!). A tardy equals one-half of a practice. Excused practices include family emergencies, illnesses, etc. Do not come to practice if you do not attend school. Please plan make-up exams / help sessions / doctors appointments for before or during school when possible. Remember that we begin swimming at 2:00 - not 2:05.

## **CONDUCT**

- Be humble in both victory and defeat; behave with class and pride.
- Remember that you represent your school and your city at all times.
- Treat all coaches, officials, and other authority figures with respect - this includes personnel from other teams!
- Treat all your opponents as equals and peers, especially if they are not your athletic equals.
- Remember that we are guests at Wheaton College. Please go the extra mile to respect the property and people of the College. No act of vandalism will be tolerated.
- Drug and alcohol use will be dealt with according to the athletic code of both WWSHS and WNHS.

### **Meet Directions**

All driving directions for away meets are found online on the team website at [www.wheatoncoop.com](http://www.wheatoncoop.com).

### **Meet Transportation**

All athletes must ride the team bus/van to all away meets. Athletes who miss the bus are ineligible to compete in that meet, except under very rare circumstances. Athletes may ride home with a parent or guardian with a written note only, or by having a parent speak directly with a coach at the end of a meet. Athletes may not transport themselves to or from meets under any circumstances.

### **Meet Spectators**

We encourage as many fans to attend our meets as possible. It is community support and spirit which makes our sport exciting! Parents usually sit together at meets and wear team shirts to help cheer the team on.

### **Practice Observation and Home Meets**

Swim team practices are not "closed" to spectators. All spectators are asked to observe from the balcony of the pool, and not to disturb the workout except in emergency situations. Wheaton College asks that during both practice and meets, the running track and the windows along the north and east side of the pool be kept free from spectators. The college also would like to keep the main entrance hall as free from congestion as possible.

Diving – 11	coaches' discretion

To earn a varsity letter you must accomplish all of the following:

**1. Have perfect attendance.** This includes morning workouts. Notify a coach of any excused absences (doctor's appointments, etc). If you don't attend school due to an illness, do not attend practice. A grace limit of 15% is built in to account for illnesses and excused absences. This means you must make 17 out of every 20 practices to earn a letter.

**2. Exhibit championship behavior each day in practice and at meets.** For juniors and seniors this means team leadership and setting good examples for the underclassmen. For all team members this means not sitting at the walls in sets, completing workouts, giving 100% effort every day, etc.

**3. Achieve one of the time standards above or compete for Wheaton at the Sectional Championships.** Varsity swimmers from last year should also have goals to improve over last year's sectional / state performances.

**Ultimately, varsity awards are at the discretion of the coaching staff. Certain requirements may be waived under some circumstances.**

### 2009-10 IHSA State Championship Time Standards

All athletes who equal or exceed these standards in the sectional meets qualify automatically for the state final meet:

NOTE: Bolded events have changed their qualifying standards from last year.

200 Yard Medley Relay	1:40.23
200 Yard Freestyle	1:46.59
200 Yard Individual Medley	2:00.68
50 Yard Freestyle	:22.21
100 Yard Butterfly	:53.80
100 Yard Freestyle	:48.69
500 Yard Freestyle	4:50.25
200 Yard Freestyle Relay	1:29.58
100 Yard Backstroke	:55.07
100 Yard Breaststroke	1:02.19
400 Yard Freestyle Relay	3:16.96

Per IHSA rules, state-qualifying times must be achieved at the sectional championship meet to qualify for the State Championships. Sectional winners advance automatically to the State meet

**Diving:** Sectional winners advance automatically to the State meet. The next 32 divers who score higher than the lowest sectional winner also advance as "at large" divers.

**Checklist**

**Wheaton High School Swimming and Diving  
Parent Checklist and T-shirt Order Form 2009-10**

**1. The following must be turned in to your school before an athlete may practice:**

*(all available at your schools' athletic office)*

- Physical Form
- Parental Release
- Emergency Contact form

**2. Turn in team fees, school user fees, and extra T-shirt orders by the first Friday of practice**

*\*Please make two separate checks to your school (user fee) and WWSHS (team fee).*

*\*Team Fee includes athletes' swim suit, T-shirt, and swim caps.*

- User Fee (\$100)
- Team Fee (\$65)
- Parents' t-shirts (\$14 / shirt)
- Training suit (\$xx.00)

Parents can order extra team t-shirts to wear to meets. Athletes' shirts are included in the team fees. Parents' shirts cost \$14 each and must be paid for at the same time as the athletes' shirts. Swimmers can order a training suit for \$33.00 (not a bad idea as we get a team discount and meet suits wear out quickly if worn in practice). This should also be added to your team fees (meet suits are included in team fees already).

Please return THIS ENTIRE FORM to one of the coaches by the first Friday of Practice at the latest. We will order suits and shirts ON THAT DAY, and WILL NOT PLACE ADDITIONAL ORDERS.

=====

**Please make checks payable to either WNHS or WWSHS and add your total below to your team fees.**

**Do not give your checks to a coach... take it to your school! Bring this form to a coach.**

**-Thanks for supporting the team!!**

=====

**Parent T-Shirt Order Information**

***NOTE: parent t-shirts are available from the coaches at the parent meeting or in the team office.***

=====

**This entire form must be returned by the first Friday of practice!!**

**Code of Conduct**

**Wheaton Co-op Swimming and Diving Practice & Meet Guidelines**  
2009-10

This form must be returned to your coach by the end of the first week of practice before you will be allowed to continue practicing.

The following stipulations apply to training and competing on the Wheaton High School Co-op Swimming and Diving Team.

**Team cuts** (if necessary) will be made after the first week of practice. Cuts will be made based on the number of swimmers which the Wheaton College Aquatics center can safely accommodate. Cuts may also be necessary to create an optimal coach-to-swimmer ratio. Athletes' competitive background, practice attendance, grade level, and work ethic will all be taken into consideration when cuts are made.

The swim team will have 3 levels: Junior Varsity (girls only), Varsity "B," and Varsity "A". The JV level will carry between 16 and 20 swimmers in 4-5 lanes (shallow water). The Varsity "B" level will carry 18 - 24 swimmers in 3 lanes (deep water). The Varsity "A" level will carry 16 - 20 swimmers in 4 lanes (deep water). The diving squad will carry approximately 7 divers. Team Fees will be refunded only if you are cut from the team.

**Unexcused absences** (skipping practice) will not be tolerated. The first two unexcused absences will result in the athlete missing the next competition. The third unexcused absence will result in dismissal from the team. Unexcused tardiness is considered the same as absences. Because you leave school early, swim team is considered the same as a class at school.

**Excused absences** are sometimes unavoidable. When possible, notify your coach if you need to miss practice. Excused absences include college visits, family emergencies, health emergencies, etc. Do not schedule College Visits during meets or practice when possible. Schedule doctors appointments around your practice schedule whenever possible. If you need extra help from a teacher, you have two options: meet with that teacher outside of practice time (i.e. before school) or ask one of the coaches for help (we are all either teachers or professionals and are more than willing to help!).

You must have 85% attendance (excused and unexcused) to participate in meets. Being late (we will start swimming at 2:00 p.m.) equals missing half of a practice. Do not stop at home or anywhere else between school and practice. No student driver is allowed to make any stops for any reason. Stopping on the way to practice will result in the whole carpool missing the next competition. Do not put other athletes' safety and team standing in jeopardy.

**Give 100% at all times. You will never know what you can achieve unless you give it all in practice.**

---

Please sign and return to a coach on or before the date above indicating that you have read and understood the team guidelines (including behavioral guidelines outlined in the team overview and by your school), and that you will follow them. A copy will be made for you to keep.
