After Finals: Please join us at Pal Joey's in West Chicago on Saturday. About 6:00 p.m.

Tips from Experienced Fans: After doing this 3 years, my advice is to get up there early, pack lightly or plan to check coats, etc., and definitely bring a book or something to occupy your time for all of those hours. My understanding is that New Trier gives you a number when you walk in, and then you're free to roam. I go straight to the sweatshirt table buy whatever I want, and take it right back to the car, since everyone's stuff looks the same! I understand that there are more poles to obstruct views at this pool, so that's why we're trying to leave a bit early, and get good seats. Most of the boys are coming later, so that they can go to a few classes first. So, the more parents that we can get up there early, the more we can spread out and try to save seats.
